**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential consumer that would be affected by the changes in Section 251 (c) (3), because there many carriers like Sonic who use unbundled copper and inter-city fiber transport elements (UNEs) to compete in the residential marketplace. We need competition and many different broadband providers in the market, not just AT&T.

I used to have DSL with AT&T in the past and I am very happy with the fiber service Sonic has provided.

Please do not dismantle key components of the 1996 Telecommunications Act.

Thank you.
